

Wholly Craft is always looking for unique, high-quality handmade goods!
If you think your creations fit these criteria and are in tune with the look
and feel of the shop, we'd love to hear from you!

Here are the consignment terms:

- * 60-day initial term of contract. This contract automatically renews itself
until one of us chooses to opt out.
- * 55/45 split of the retail price. (55% to you, 45% to the shop)
- * All work is fully insured by Wholly Craft once it is in the shop.
- * You are responsible for shipping costs.
- * You will receive a monthly sales record and consignment check. Woo-hoo!

Sound good? Please email us with the following information:

Your Name/Company Name
Your Phone Number
A short description of the items you're interested in consigning
and their retail prices
Photos of the Items or a link to your website

If you are located in or near Columbus, we can also set up a time to sign
consignment contracts in person after we have reviewed your application.
Please do not bring in items for consignment consideration without an
appointment.

Due to the volume of consignment requests, please be patient in waiting
for a response.
